

Program Event Financial Assistance

Financial Aid for Council program events has been established to help support girls' participation regardless of their family's financial circumstances. To help us serve every girl who needs assistance, it is expected that each will pay as much as they can afford. All attempts should be made by the troop to assist girls fully or in part. In the event that this is not possible, the girl's parent may apply for Program Event Assistance, using the following criteria:

- a. This application must be completed in its entirety to document need and Girl Scout membership. Insufficient or missing information will disqualify the application and the request will be denied.
- b. Only Drifting Dunes Girl Scout Council Events qualify. Financial Assistance for Membership Dues, Camp, and Destinations are all handled separately.
- c. Program Event Assistance will be granted for no more than 50% of the event. Payment of the remaining fee (or cookie dough certificate) must accompany this application. In cases of extreme hardship, additional funding will be considered.
- d. Financial Assistance will cover the Council Event Registration fee only. Personal spending money, if applicable, is the responsibility of the family.
- e. Priority will be given to first-time applicants.
- f. All financial assistance is subject to available funds.
- g. All requests must be signed by a parent or guardian. Multiple applications from the same family is acceptable.
- h. All applicants must be currently registered members of the Drifting Dunes Girl Scout Council.
- i. Awards may not be transferred to another individual or event.
